GISTERED FIRMS/30

Shanghai, China, August 23, 1933.

"American Firms, et cetera, in Shanghai."

1 p and encl

Consul General Edwin S. Cunningham

Trade List

LIST OF AMERICAN FIRMS, PROFESSIONAL MEN,
MISSIONS, INSTITUTIONS, ET CETERA,
IN SHANGHAI, CHINA, AS OF
AUGUST 15, 1933.

(This list is comprised of 460 names)

Prepared by the American Consulate General,
Shanghai, China.

MEMORANDA

(1) The concerns and individuals whose names appear herein are all believed to be American. While every effort has been made to insure the completeness and accuracy of the list, neither the Government of the United States nor the Consulate General assumes any responsibility for errors or omissions.

(2) The names of subsidiary companies of local firms have, whenever practicable, been omitted. It has been endeavored to avoid duplications, and, though for various reasons some Shanghai concerns trade under two or more names (even having these trading names separately registered at the Shanghai Consulate General or with the Registrar of the China Trade Act) it has been thought advisable to list each company but once to present a truer statement as to the number of active American business organizations in active existence in this area. The best known name of each company has been selected in each instance.
