FOREIGN SERVICE

Director,

Bureau of Foreign and Domestic Commerce,
Washington, D.C.

Attention - H.O. Smith, Esq., Chief, Automotive Division.

Sir:

General Motors Foreign Operations.

The world map indicating the foreign operations of the General Motors Corporation, as mentioned in your letter of March 12, Reference 27, has been received. Inasmuch as the motor-vehicle industry has become such an important phase in world commerce a map of this character as well as those you contemplate developing are of great interest and value.

Yours very truly,

Julian Arnold
Commercial Attache.
