THE NEW OUTLOOK IN THE FAR EAST IN THE LIGHT OF THE EUROPEAN WAR

In order to complete the files of the Bureau of Foreign and Domestic Commerce of the pamphlets as issued by the American Information Committee, 1/ Shanghai, I am enclosing herewith, in mimeographed form, pamphlet No. 6 entitled "The New Outlook in the Far East in the Light of the European War". The printed pamphlet form of this brochure has been exhausted, but we are sending the material in mimeographed form to keep the file complete. Pamphlet No. 7 in the American Information Committee's series was submitted with our Economic and Trade Note No. E-12 of November 17, and is the last of the series published to date. Other pamphlets will be forwarded as they are issued. Copies of previous pamphlets were submitted with our Economic and Trade Notes Nos. E-4, E-7, E-9 and E-10.
