Mr. G. C. Howard,
Trade Commissioner,
3 Canton Road,
Shanghai, China.

Subject: British Chamber of Commerce of Shanghai
Membership List.

Dear Howard:

CARDED

Not Received in Files Section

I read the enclosure accompanying your letter of May 15th relating to the plight of the Tea and Silk Guild with much interest and sympathy. I have not yet decided whether the sympathy belong to the Guild or to me for endeavoring to clarify their proclamation.

However, many thanks are due you for sending in this touching appeal. I will place it before interested parties in the hope that we may assist in alleviating the sufferings of the Guild.

Commercial Intelligence Division
and
Commercial Law Division
Very truly yours,

For the information of the above divisions there is transmitted herewith a membership list of the British Chamber of Commerce of Shanghai, It is believed that this list will be of especial interest to the Commercial Intelligence Division as it will afford them an opportunity of checking up British firms seeking American agencies in the States.

Very truly yours,

A. Viola Smith
