Gentlemen:

Reference is made to your letter of August 22, requesting figures on imports of condensed and evaporated milk into China during 1929, by ports and by countries of origin. We have looked this matter up, and find that these figures have not yet been received in our library. If you so desire, we will be glad to attempt to secure them from our Shanghai Office.

If we can be of service to you on any other subject please do not hesitate to call upon us here at Washington or through our New York District Office located, as you know, in the Customhouse.

Very truly yours,

Clarence E. Birgfeld,
Acting in Charge, Canned Foods Section,
Foodstuffs Division.
