Mr. Morrill L. Smith, Assistant Secretary,
American Automobile Association,
Washington, D. C.

Dear Mr. Smith:

I am in receipt of your letter dated December 14, 1934 with reference to my request in behalf of Trade Commissioner A. Viola Smith of our Shanghai Office for information concerning automobile clubs.

It is noted that Mr. T. K. Chao, a high official of the National Economic Council of Hanking, China, called at your office and was supplied with full information concerning the organization of an automobile club. It is not believed that our request is a duplication of Mr. Chao's and accordingly, if it is not too much trouble, we would appreciate receiving the material you supplied him concerning automobile clubs. In forwarding the material to Miss Smith we shall inform her that the same data were supplied to Mr. Chao.

If you will call me by telephone when the material is ready, I shall be glad to send over for it.

Very truly yours,

A. W. Childs,
Chief, Automotive-Aeronautics Trade Division.
