Trade Mark—"PHOSPHODYNE."

Protected under the Trade Marks Act (38 and 30 Vict., ch. 91.) Enacted by the "Queen's Most Excellent Majesty," 20th August, 1875.

Discovered and so named, A.D. 1862, by R. D. Lalor, M.D. Pleasant to the taste. The only Safe, Prompt, and Reliable PHOSPHORIC REMEDY for Overworked Brain, Worry, Anxiety, Excitement, Late Hours, Business Pressure, Nervous Prostration, Wasting Diseases, Asthmatic Consumption, Stomach and Liver Complaints, Impaired Nutrition, Impoverished Blood, Premature Decline, and all morbid Conditions of the System dependent on the deficiency of VITAL FORCE.

PHOSPHODYNE

Purifies and Enriches the Blood; Clears the Skin; Thoroughly Invigorates the Brain, Nerves, and Muscles; Re-energises the Failing Functions of Life, and thus Imparts Energy and Fresh Vitality to the Exhausted Nervo-Electric Force; and Rapidly Cures every form of Nervous Debility, Paralysis, Nervous, Mind and Heart Diseases, from whatever cause.

PHOSPHODYNE IN NERVOUS & MIND DISEASES

DR. LALOR'S PHOSPHODYNE gives back to the Human structure in a suitable form the Phosphoric or Lively Animating element of life which has been wasted, and exerts an important influence directly on the Brain, Spinal Marrow, and Nervous System, of a Nutritive, Tonic, and Invigorating character; thereby checking all wasting of the Vital Fluid, and the more Exhausting Processes of Life, maintaining that Buoyant Energy of the Brain and Muscular System which renders the Mind Cheerful, Happy, Brilliant, and Energetic; entirely overcoming that Dull, Inactive and Sluggish disposition which many persons experience in all their actions.

PHOSPHODYNE, the Antidote for Climatic Diseases.—The Remarkable Remedial properties of DR. LALOR'S PHOSPHODYNE have spread its fame throughout every Nation and Country in the World, the natural outcome of which is, that the sale has now become enormous in India, China, Africa, and other Hot Climates. This increased demand is attributable to the fact of its possessing in the most perfectly assimilable form the essential Vitalising properties of PHOSPHORUS, which re-animates the Exhausted functions of Life when impaired by Heat or other causes. A very large number of Testimonials from all parts of the World freely offered from Distinguished Families, Private Persons, Military, Naval, Scientific and Professional Men, who are well known, speak of its marvellous powers in Nervous Debility, WANT OF STAMINA, FEVERS, MALARIOUS DISEASES, and as a LIVER TONIC.

PUBLIC NOTICE AND WARNING.—To Medicine Vendors and the Public in Great Britain, India, China, and the Colonies.—DR. LALOR'S PHOSPHODYNE is the only Medicine bearing the name PHOSPHODYNE that has the Sanction of the British Government, and for which Her Majesty's Registrar of "Trade Marks" has granted Certificates to DR. LALOR ONLY. Therefore DR. LALOR'S is the only Legitimate and Genuine PHOSPHODYNE. BEWARE of Worthless Counterfeits that may emanate from Australia or America.

CAUTION.—The false Phosphodyne which is being sought to be foisted upon the Public Abroad by the Fraudulent use of my Trade Mark "Phosphodyne," and my Prospectus and Testimonials, does not contain the Phosphoric and other Health Restoring elements of DR. LALOR'S PHOSPHODYNE. It is therefore of the utmost importance that a Salmon Coloured Wrapper bearing a Label with my Name, Address, "Trade Mark," Signature, and the British Government Stamp, with the words, "Dr. Lalor's Phosphodyne, London, England," engraved thereon, by order of Her Majesty's Honourable Commissioners, should accompany each Bottle, and on which alone dependence can be placed.

IMPORTANT NOTICE.—The name Dr. Lalor's Phosphodyne, London, England, is blown in the glass of each bottle, and the genuine PHOSPHODYNE is manufactured only at DR. LALOR'S Laboratory, London, England.

Sold in bottles at 4s. 6d. and 11s., by all Export, wholesale, and Retail Medicine Vendors throughout the World.
