

High Cost Of Living In Weichow.

There is now a big demand for salt in Weichow, according to a report just received, as the salt fields there have been damaged by the recent typhoon and heavy rain. As a result, the price of salt has gone up to 10 cents for 16 teals (1-1/6 lb.) to the consumers. The price of rice in that district is also reported to have been increased lately owing to the fear of military operations around the district.
