From: Shanghai Office

Subject: Motor Vehicle Registrations in French
Concession, Shanghai, June 30, 1939.

There is attached hereto the published registra-
tions of motor vehicles in the French Concession at Shanghai
for the quarter ended June 30, 1939 by "Makes".

Particular attention is called to the data matter
on Page 5, showing New Motor Car Registrations During the
Second quarter, 1939, totalling 147 vehicles. This is a new
departure on the part of the French authorities in Shanghai,
who have heretofore never published this material and usually
declined outright to furnish it.
