Mr. Y. Lewis Mason,
Consolidated National Advertising Co.,
255 Shantung Road,
Shanghai.

Dear Mason,

I am sending you herewith receipt of CMC\$160.- covering
September's rental for the billboard at Bubbling Well and Moul-
nien Roads.

While I advise you that the board may be able to stay on
for one month more during October, I wish to inform you that the
building work will commence sometime during the month of October
and therefore it may be expected that you will have to make some
adjustment when actual construction comes into contact with the
billboard. After October, it will be a foregone conclusion that
the billboard has to be moved away because a new shop will be on
the spot where the billboard is now.

With best regards,

Yours very sincerely

Wilfred S.B. Wong
