Mr. George A. Lilly, Secretary,
American Dental Trade Association,
Room 302, Transportation Building,
Washington, D.C.

Dear Mr. Lilly:

We are in receipt of a letter from the Asia Export Company, of Tientsin, China, in which they state that they are attempting to organize a dental exhibition in Tientsin, to take place from August 30, 1930, to October 15, 1930. This firm desires to bring their exhibition to the attention of American manufacturers of dental supplies.

We are inclosing the letter referred to, as well as the terms and conditions of the exhibition, for your information and possible action. In view of the limited time available, however, it is doubted that many American firms would be in a position to take advantage of this opportunity for exhibiting their products.

We should be pleased to be informed of any action taken by your Association in this connection.

Very truly yours,

E. J. Breyere,
Acting Chief, Specialties Division.
